

Become a Spokane Nordic Ski Association Junior National Qualifier Race Sponsor Today

Spokane Nordic would like to offer your business an opportunity to increase your visibility in our Pacific Northwest skiing and racing community. Your support of our February 2017 Pacific Northwest Junior National Qualifying Race will support an organization that nurtures the values of community, nature, health and education. Spokane Nordic is committed to creating, developing and delivering programs to foster Nordic skiing within the greater Spokane Community through efforts of organization, advocacy and communication. It takes not only a community of volunteers, but also money to provide race numbers, packets, registration, timing, course marking and supplies, parking supplies, food, USSA and PNSA fees, insurance, posters, communication, and event shirts.

On February 18 & 19 youth teams and adult Nordic ski racers will compete on the Mt. Spokane State Park trails. Teams from Bend, Methow Valley, Seattle, Sandpoint, Mt. Hood and other communities will be striving to qualify for times that will allow entry into the Junior Nationals being held in Lake Placid, New York.

Named Event Sponsor	\$3,000	-Name on Major Event -Largest logo on event clothing -Website and print race marketing materials
